SWEET BRIAR
COLLEGE

Never A Dull Moment!!!

SBC women, although we're not sisters by blood, we are indeed sisters by choice... Forever Bonded

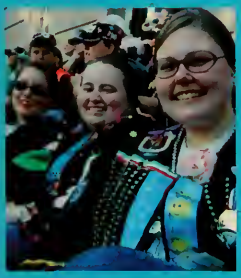

Diamonds are pretty
and so are pearls
But NOTHING compares
to Sweet Briar Girls!!!

Sweet like candy to my soul. Sweet you rock and Sweet you roll.

You can pick your friends...
And you can pick your nose...
But you CANNOT pick
your friend's nose!!!

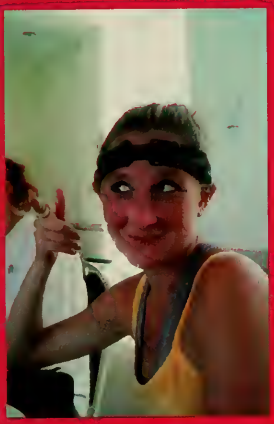

Winter, spring, summer or fall... All you have to do is call And I'll be there, You've got a friend...

Don't walk in front of me, I may not follow. Don't walk behind me, I may not lead. Just walk beside me and be my friend.

GIVE BLOOD

"A true friend is someone who thinks that you are a good egg even though she knows that you are slightly cracked."

"A true friend is someone who thinks that you are a good egg even though he knows that you are slightly cracked."

Be so strong that nothing can disturb your peace of mind. Talk health, happiness, and prosperity to every person you meet. Make all your friends feel there is something in them. Look at the sunny side of everything. Be as enthusiastic about the success of others as you are about your own. Forget the mistakes of the past and press on to the greater achievements of the future. And give everyone a smile.

SWEET BRIAR

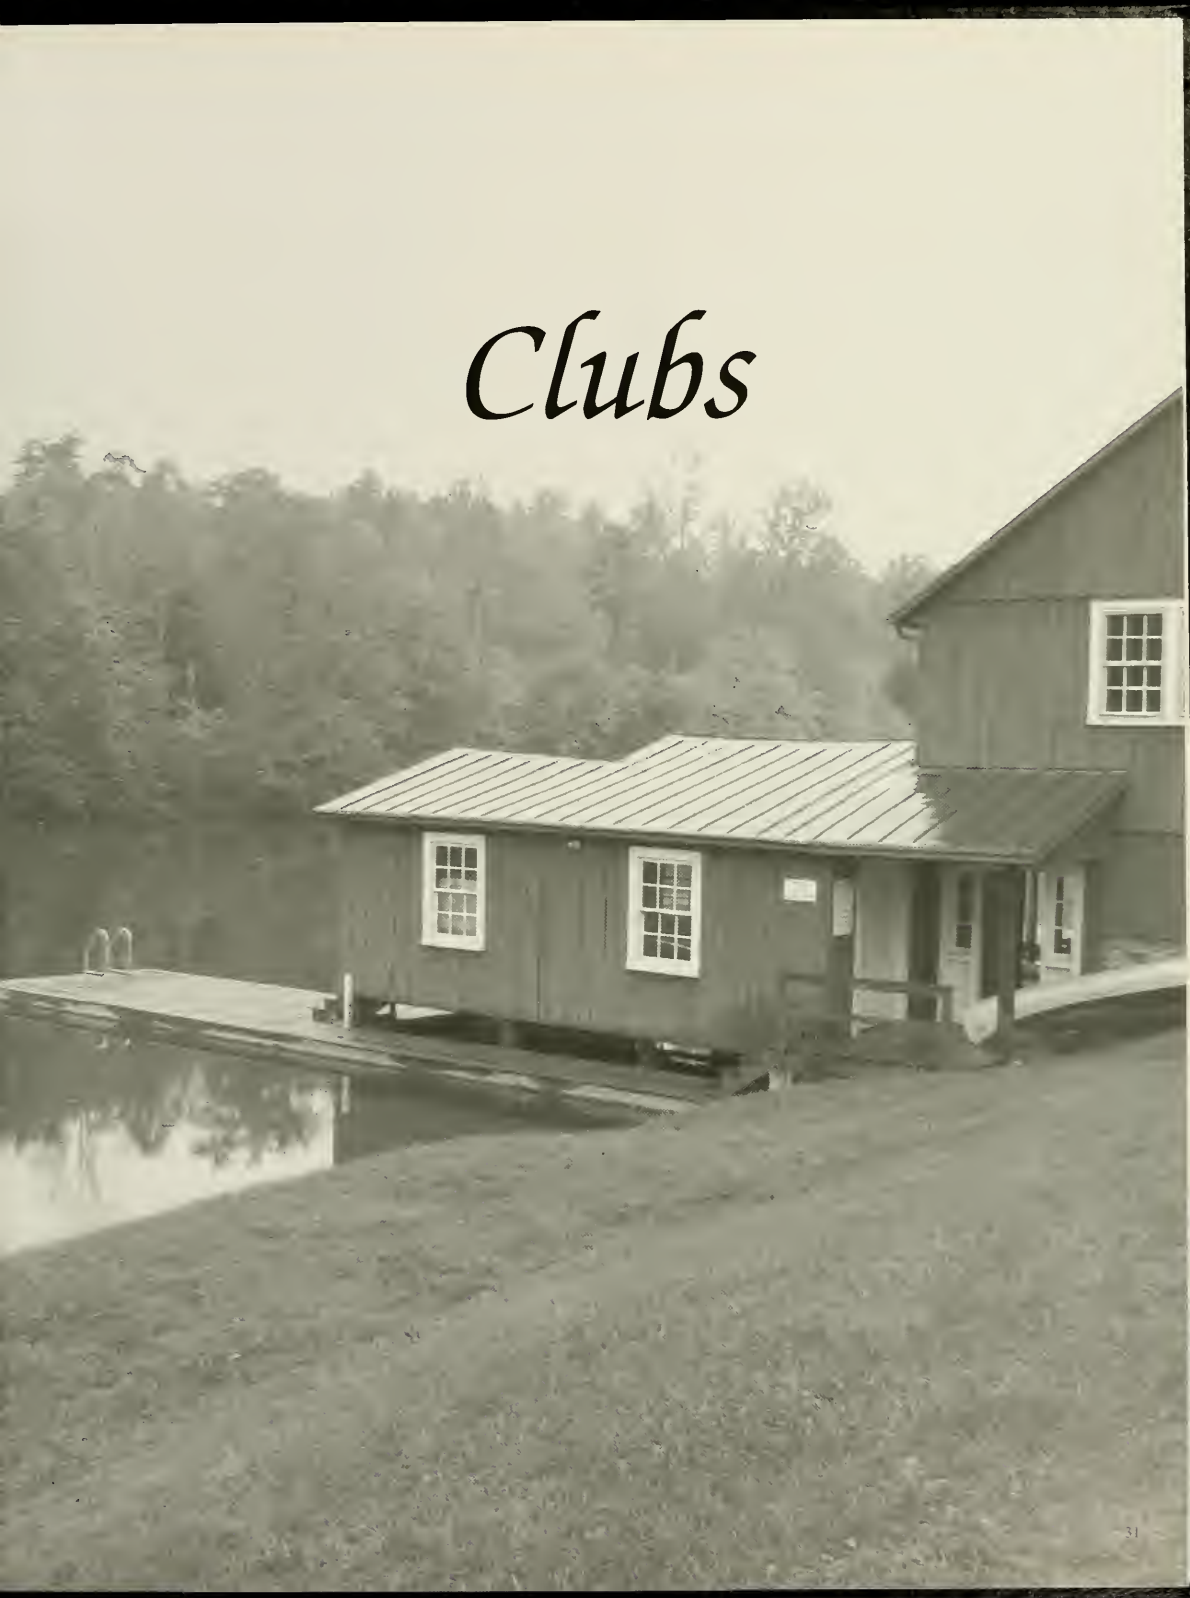

From 1943, students wave from the train station.
-Currently hangs in the Inn

To Daisy Williams are dedicated the ivy-clad walls, the monument on the hill, white pillars, the shaded walks - all these traditions. To Sweet Briar are dedicated the vivid memories of each girl who has known the understand and friendship that comes with the quest for Beauty and Knowledge. The Freshman Fireplug remains a symbol of the first hazardous weeks, the Freshman Circus, new faces, the helping hand of the old girls, and the thrill of being independent. Ideas are shaping; there is charity work, Midwinter Dances, the hockey team, and new courses clustered around the Sophomore Wall. Time passes quickly - the Junior Bench, the major subject, working on the Briar Patch, committees, debates. The last few steps to the grand and glorious Golden Stairs brings the realization that the intimate companionship, the close bonds of working, searching, and playing together are soon to be broken. But there is always the memory of the blue hills, sunshine on the Lake, moonlight on the Dell. Pause for a moment. remember the sweaters and skirts, the classrooms, the laughter, the grass, the Arcades. Pause for a moment - this is Sweet Briar.

- From the '44 Briar Patch

There is a vale in Virginia that memory thrills
Where our dear Alma Mater sits circled with hills
There we're wandered together in Springtime's glad day
And when autumn spread round us her warm tinted haze
There in box-sheltered borders those roses bloom fair,
And the mocking bird's song floatss on the still air
There the woodlands are gleaming with autumn's soft fire
Forever we'll cherish beloved Sweet Briar.

'Tis the home of our hearts; though we wander afar
We ever are led by her radiant star.
She still gives to her children, though scattered they move.
Her lessons of truth, beauty, wisdom, and love
Forever our sisterhood golden shall clasp
The hands that have met here in friendship's warm grasp
Forever her beauty our lives shall inspire
Forever we'll cherish beloved Sweet Briar

Faculty & Staff

Faculty and Staff

I have found in my four years here that:

Professors love to throw parties, singing, and play instuments.
Left: Laufenbergs house, "History Party"
Right: Vixen Den, Faculty and Staff both listening and playing. Also what is unique is that both the Dean and the President are there listening, you won't find any of this at a big University.

Left: More evidence of Faculty and Staff out there on the floor singing and dancing.

You also get to know your professors here after a while. It is all that small school attention that helps students know their professors, in their majors so well that they can dress up like them on Holloween. I even fooled a few fellow students as well.

*"America I've given you all and now I'm nothing. America two dollar and twentyseven cents January 17, 1956. I can't stand my own mind. America when will we end the human war? Go **** yourself with your atom bomb. I don't feel good don't bother me. I won't write my poem till I'm in my right mind. America when will you be angelic? When will you take off your clothes? When will you look at yourself through the grave? America why are your libraries full of tears? I'm sick of your insane demands. I'm addressing you. Are you going to let your emotional life be run by Time Magazine? I'm obsessed by Time Magazine. I read it every week. Its cover stares at me every time I slink past the corner candystore. It's always telling me about responsibility. Business-men are serious. Movie producers are serious. Everybody's serious by me. It occurs to me that I am America. I am talking to myself again. America this is quite serious. America this is the impression I get from looking in the television set. America is this corret? I'd better get right down to the job." I DID IT…I finally finished! So many memories that I will keep forever were made over 4 years! It has been a long hard struggle but it is now time to enter the real world and leave the 'pink bubble'. This is something I have waited my whole life for, and now that I finished a part of me wishes I could stay at Sweet Briar forever! However…we must go on! Congratulations class of 2005 and I wish you all the best of luck in your future! Meg

To my friends: Y'all it's been a crazy four years and I can't believe it has gone by so fast. All of you had made huge foot prints on my life and for that I am incredibly grateful! I wouldn't be the person I am today without y'all. I will miss each and every one of y'all tons and just know that I am only a phone call away. Some things I won't forget are: Dance parties 24/7, Betty and The Bunion Gang, studying for finals Freshman year, "The Burb", bursting out songs in the back of the hockey van, numerous dell parties, the night we got "bored", Cattle Annies, "Harry Mold", Junior Banquet, the 21st b-day in DC, Walmart cake anyone?, Macadoos, Badger's love of picture taking, Red Sox games, talks before going to sleep, the never ending laughing, all of the hockey and tennis girls, there never being a dull moment in Manson 211, and so much more. To my family, thank you for always being there and believing that I can do anything. You all mean the world to me and I love you all.

Elli, my funny sidekick and personal deathtrap; too many great times spent. Werd? Shannon, Steph., and Whit., your great company. I believe each of us has a purpose and Sweet Briar (whether we know it or not) has helped to shape us to become that person we need to be. I want to thank all of you who have helped me to become the person I am today. I will never forget you. First off, a HUGE thanks to my family for encouraging me to attend Sweet Briar, what a great time it has been! Mom and Dad – you have given me more love and support than I could ever ask for, I love you! To my Grandparents – without you all, I wouldn't be where I am today, much love and thanks! The past four years have been full of learning and making lifelong friendships to help me on my path towards becoming a professional beach bum. So many funny memories: midnight rollerblading in Guion, buzzed dell sledding, dance parties of course!, off-roading in the 4runner, go-karting, and so much more!

Whitney –"are you guys twins?" … "No, but thanks!" TAT'E. Anne – wermy-werm, thanks for all the fun these past four years. SMO, SRS, LMH, ACW and all the rest – thanks for making my time here so wonderful! I'll miss everything about Sweet Briar, especially the incredible professors who have helped me grow in so many ways.

None of us will ever forget or be able to explain how much these years in "the bubble" have meant to each of us. To my closest friends: yall know how perfect the name Half-n-Half was…We won't forget the quality memories shared in the BEST quad ever even though it was in Dew, the nights of DCC sophomore year, the dance parties in the stacks during exam week, the countless drives to HSC freshman year (but it turned out to be a Liberty boy…), dinners at Dudley's and La Carreta, Hip Hop shower hours, snow days….To all the amazing CCF girls: you all have been such a blessing and an encouragement. The time spent on Monday nights won't be forgotten. To my family: I can't believe how fast this year has come. I can't thank you enough for all your support and encouragement that has gotten me this far. All of my friends and family have been such a blessing, and I love each and every one of you!!!!

Horizon, infinity. – We have left the land and taken to our ship! We have burned our bridges – more, we have burned our land behind us! Now, little ship, take care! William Wordsworth

She was a phantom of delight
When first she gleamed upon my sight;
A lovely apparition, sent
To be a moment's ornament;
Her eyes as stars of twilight fair;
Like twilight's too, her dusky hair.

And now I see with eye serene
The very pulse of the machine;
A being breathing thoughtful breath,
A traveler between life and death;
The reason firm, the temperate will,
Endurance, foresight, strength and skill;
A perfect woman, nobly planned
To warn, to comfort, and command;
And yet a spirit still, and bright
With something of angelic light.

Congratulations
Love,
Mom and Tom

Good luck to all of Sweet Briar's

"May the Road Rise up to meet you,
May the wind be ever at your back
May the sun shine warm upon your face
And the rain fall softly on your fields
And until we meet again, May God Hold
you in the hollow of his hand"

We try so hard to see ourselves in you; but we cannot fore we are constantly blinded by the light. We are consumed by the brightness and the overwhelming joy of being allowed to be just a guide in your life...alas for such a very short journey after all.
We will pass the lantern to you now; you shall cast your own light to find your own way; your own path...and remember, the memories you make today will be the fortune you take with you.

Congratulation Jessica with all our hearts...Mom, Dad, Robyn, Zee, Tango, Hupongo, Colleen, Rosie and Pywacket

It seems it was only yesterday you were standing at the back of the auditorium waiting impatiently for your turn to walk down the aisle. You head held high, smiling so beautifully, for it was your day. You were graduating from kindergarten and the world was yours.

Today that same little girl waits impatiently for her turn to walk down another aisle. Much hard work and tears have been put into the last four years. When you walk down the aisle and receive your Diploma it will be with the same confidence and smile…for the world is yours.

We are so very proud of you Amanda. Always be true to yourself.

Love,
Daddy, Mama and Ronnie Wayne

Christie Marie Sears

It is almost impossible to put into words how much we love you and admire the person you are. Your strength, perserverence, compassion and value of friendships have made you into a unique and very special young woman. Wherever your talents may take you—from the horseworld, to writing and poetry, or to other pursuits that only exist in your dreams—we know you will make a difference. Congratulations as you graduate from Sweet Briar College.

Love always,

When you left "Paradise" to venture to the East Coast, we thought you would not make it. However, you have endured homesickness, the cold weather, and the many long flights. Your Sweet Briar experience and adventures in Europe have made you an independent and mature person, and ultimately brought the best out of you. We are so proud of you, and we believe God has great things in store for you. Congratulations as you graduate!

Ninety-nine years ago Sweet Briar College began its initial year with an enrollment of thirty-six students. It is with pride and admiration that we look back on the classes which have preceded us, and which have made possible the Sweet Briar we know. With great hope and eager anticipation we look to the future. We feel we are now beginning a new era in which growth and great changes are inevitable.

It is with this in mind that we have made the 2005 Briar Patch, hoping that it may be a tangible expression of what Sweet Briar means to us today. We have endeavored to reflect truly the beauty and happiness of our college life; and if in the years to come this book brings back memories of these happy college days, its purpose will have been fulfilled.
